You're beautiful, beautiful, you should know it  
(You're beautiful, beautiful, you should know it)  
I think it's time, think it's time that you show it  
You're beautiful, beautiful

Baby what you doing? where you at? where you at?  
Why you working so shy? hold it back, hold it back  
We're not the only ones doing it like that, and like that  
So DJ bring that, bring that, bring that, bring that back

Cause all around the world people want to be loved  
Yeah, cause all around the world, they're no different than us  
All around the world people want to be loved  
All around the world, they're no different than us  
All around the world

[Beat break]

(all around the world)

You're crazy girl, crazy girl, you should know it

(you're crazy girl, crazy girl, don't control it)

Light it up, light it up, so explosive

You're crazy girl, yeah, yeah

Baby what you doing? where you at? where you at?

Why you working so shy? hold it back, hold it back

We're not the only ones doing it like that, and like that

So DJ bring that, bring that, bring that, bring that back

All around the world people want to be loved

Yeah, all around the world, they're no different than us

All around the world people want to be loved

All around the world, they're no different than us

All around the world

[Beat break]

[Ludacris]

Once again, the dynamic duo's back at it

JB, Luda!

I love everything about you

You're imperfectly perfect

Everyone is itching for beauty

But you're scratching the surface

Lost found is never found

Can the DJ please reverse it?

In lights we pay for change

Let's make every second worth it

Any day can work if you're working with people saying you don't deserve it and don't give  
in

Cause hate may win some battles but love wins in the end

You shine just like the sun while the moon and the stars reflect your light

Beauty revolves around you

So you like that?

All around the world people want to be loved

All around the world, they're no different than us

All around the world (people want to be loved)

All around the world (they're no different than us)

All around the world (people want to be loved)

All around the world (they're no different than us)

All around the world
